Xiamen Started its “Hot Spring Capital in China”

Mingle Zhao | Xiamen

In 2011, Fuzhou, Chongqing and Tianjin were on the name list of Hot Spring Capital in China, released by Ministry of Land and Resources of the People’s Republic of China.

Recently, Xiamen, one of the famous costal cities in South China started its work of being approved as “Hot Spring Capital in China”. The People’s Government of Xiamen City has declared the official work agenda to all hot springs within Xiamen.

It’s expected that the honor of being “Hot Spring Capital in China” shall promote the standardization management of hot springs, strengthen the appropriate and full use of thermal springs, and achieve the utmost comprehensive interests of exploring thermal resources Besides, it shall enrich the tourism resources of Xiamen.
